EU Directive 2011/65/EU for the restriction of the use of certain hazardous substances in electrical, electronic equipment (RoHS) - amended by EU Directives 2015/863/EU and 2017/2102/EU – replacing Directive 2002/95/EU

Dear Valued Customer,

Based on the information available to us from our raw material suppliers, and our knowledge of the products' compositions, the BASF products listed below do not contain any substances mentioned in EU Directive 2011/65/EU.

BASF does not routinely analyze the products for the presence of these substances. However, based upon knowledge of the manufacturing process and the raw materials utilized, these substances are not expected to be present in the final products in levels exceeding the limitations of EU Directive 2011/65/EU.

This statement applies to the following product lines:

**NEOPOR®
PERIPOR®
STYRODUR®
STYROPOR®**
